Sanitary surface cleaner
SAN 05

Dispenser bucket cleaning cloths - Surface
cleaner to be added
SOF 25S

HOW TO USE:

1. Add 700cc surface cleaner to the bucket (The SOF 25S bucket already contains 1 roll of cleaning cloths).
2. Leave for 30 minutes before using the cloths
3. When the bucket no longer contains any cloths, you can use the refill pack SOF 251 (repeat the process)

Interior

Exterior

Using the Sanitary Wipes clean all areas indicated in the above image using multiple wipes in the process

Once cleaned fit all covers e.g.:
Seat cover, Steering Wheel, Gear knob, Hand Brake.

This process is to be performed Pre and Post Repair
