ACCIDENT REPAIR CENTRES

www.car-craft.com.au

Recently in Sydney Car Craft Members from across the country attended Paint and Panel's Live event, and they attended in large numbers which was great to see. The event featured many and varied speakers, however I would like to acknowledge Steve Davies from Northside Smash Repairs in Queensland who spoke about his experiences engaging a business coach and highlighting the benefits to not only the expansion of his business but also his staff and not mention his own confidence to go from one shop to three, with Steve was Gene Finn from Finns Bodyworks in Launceston, Gene provided a similar story, both gentlemen have been working with Car Craft supporter Max My Profit.
